

AT HOME GUIDE BOOK

for home medical equipment

ABC
MEDICAL SUPPLY

TO OUR VALUED CUSTOMER:

It is our sincere hope that this booklet will help you become more familiar with home medical equipment and the various products and supplies available to you. The enclosed information is offered as a guide to help you choose those products best suited for your situation – whether you are the patient or the caregiver.

Please be aware that while we may not offer all the products shown in this guide, we will provide you with resources whenever possible for those items we do not carry.

Additionally, the product illustrations in this guide are a representation of available products and may vary somewhat from those we offer.

Our contact information can be found on the back of this catalog. Please be sure to let us know if you are confined to your room or a floor within your house, as we can better help you understand what products you may qualify for.

Also, it will be easier and quicker for us to assist you if you have the following information available prior to contacting us:

- Type of insurance (Medicare, Medicaid, Private Company) if applicable.
- Insurance Plan/Group/Policy Number.
- Subscriber's identification number for Medicare, Medicaid, or Private (not government) Insurance Company.
- Patient's full name as it appears on the Medicare, Medicaid, or Private Insurance Company card.

We may require additional information based on your individual needs and circumstances. Always write down the name of the person who helped you. This will make it easier should you need further assistance or more information. If you have any questions regarding Medicare, you or your caregiver should visit the Medicare web site located at www.medicare.gov.
